# The Trinity Tripod

VOL. III. No. 7. HARTFORD, CONN., FRIDAY, OCTOBER 19, 1906. PRICE, FIVE CENTS.

## DR. McCOOK'S LETTER.

I have been asked to speak to the student body, through the medium of the "Tripod," respecting the recent action of the Athletic Advisory Board.

What that action is may already be known in a general way:—After a careful examination of the financial situation, weighing what we have and are likely to get against what we owe and shall have to spend, we find that present obligations can probably be met, carrying us thus to the end of the football season.

The question then arises: What is to be done after the football season? Are there to be any baseball games, any track meets, any basketball contests? Our conclusion is that the answer rests completely with the students. Assuming that the income available for those sports will be the same and the expense about the same, as last year, there will be a large deficit without further student help.

But after recent experiences a deficit is not to be thought of. To risk one would be to rush upon our fate. A guarantee is indispensable. Now the most equitable and in every way the best method of securing a guarantee through student help seems to us to be membership in the Athletic Association. That will distribute the burden equally and will guarantee, also, a well proportioned and evenly sustained sense of responsibility. Incidentally it will also foster alumni sympathy by answering the ever recurrent question: "What are the students doing about it?"

There are now thirty-one members. If ninety-four more can be secured within a week, and half the fee paid in, carrying with it, as this will, the honorable obligation to pay the balance when due, the guarantee will in our judgment be adequate. Otherwise not.

The four managers have accordingly been designated to canvass the college for memberships; and, the roll of the students having been divided alphabetically into four sections, Mr. Bryant, of the football management, Mr. Cross of the baseball, Mr. Edsall of the track, and Mr. Chamberlin of the basketball, will personally interview, each his assigned section; and if they can together secure ninety-four new members, making a total of 125, or the not excessive proportion of less than seven-tenths of the whole, and can also pay into the treasury the half year's fees therefor, they will have authority immediately to complete schedules for the baseball, track, and basketball seasons.

The term of seven days has been set, because the arrangement of games, which has already been perilously long delayed, will become all but impracticable if deferred beyond that period.

It is therefore for the students, themselves, to decide whether we are to withdraw from intercollegiate athletics after November 17th, or to stay.

It is beyond my province to urge, or even to advise, but I think I know what the decision will be.

## FOOTBALL.

### Good Prospects for Game With Worcester "Polytech" To-morrow.

Trinity has very bright prospects of winning the football game to-morrow against Worcester Polytechnic Institute. The only difference between to-morrow's game and last Saturday's being that Donnelly, one of the strongest men on the team, has not yet recovered from the injury to his knee received in the Stevens game.

Trinity, as a general rule, has beaten Worcester and last year an especially large score was run up.

Worcester has played Tufts this year, being beaten 28 to 0, but very little can be judged from this as we have not met Tufts on the gridiron in a great many years.

The team as a whole is in very good condition, so we have a right to look for Trinity's second victory in football this year, to-morrow.

The "Tripod" has obtained the probable lineup of the Worcester team and their respective weights, from the Worcester football management. They are as follows:—

Right end, Labrit, Chesley,	130 lbs.
Right tackle, Searle, Baldwin,	170, 165
Right guard, Herrick,	163
Center, Beaman,	171
Left guard, Quimby,	183
Left tackle, Smith,	158
Left end, Jencks, Wagner,	170, 164
Quarterback, Waring, Seeley,	155, 158
Left halfback, Hogg, Lawley,	178, 163
Right halfback, Hedberg,	156
Fullback, Cottrell,	161

### FIRST ROUND OF FALL TENNIS TOURNAMENT.

The first round of the annual fall tennis tournament resulted as follows:—

G. S. Buck '08 beat Sweet '10, 6-0, 6-4.  
H. F. Ferguson '10 beat Morris '08, 6-3, 6-1.

Cooke '10 defaulted to Barbour '09.  
Larned '10 won from Buterworth '09, 6-1, 6-3.

G. Buck '09 beat D. W. Clark '10, 6-4, 6-0.

Page '08 beat Webtser '10, 6-0, 6-0.  
Edsall '08 won from J. Carpenter '09, 6-1, 6-0.

Harmon '10 won from Hamersley '09, 6-2, 6-4.

Stevens '08, won from Kedney '10, 6-0, 6-0.

Goodrich '09 beat Gabler '10, 6-0, 6-1.

Brewster '08 beat Muncie '10, 6-3, 6-1.

Randall '08 won from Buchanan '09, 6-0, 6-1.

Turner '10 beat Harriman '09, 7-5, 6-2.

Morrow '09 won from J. Clark '10, 6-1, 6-2.

The second round must be played off by noon to-day.

The members of the "Tripod" board are invited to attend a meeting and banquet of the New England Intercollegiate Press Asosiation to be held in Boston on November 16th or 17th.

## UNDERCLASS BASEBALL GAME.

### Won by 1909.

In the annual fall underclass baseball game, which took place on the athletic field Wednesday afternoon, the Sophomores were victorious over the Freshmen, winning by the score of 5 to 3.

At the beginning of the game the Sophomores took the lead sending two men across the plate. The feature of this inning was Connor's three-bagger who played left field on the 'varsity baseball team last year.

Neither side was able to score in the second, but the Sophomores got one run in the third, and two more in the fourth inning.

In the fifth, 1909 pulled a goose egg, but three Freshmen were brought home by Webster's drive into right field. This hit became a home-run since the darkness hindered in fielding.

Xanders with his speed and good control, was too much for the Freshmen. Cook, who, was in the box for 1910, had good curves and speed, but his control was poor.

The lineup and summary:—

Dr. Luther's success in the republican caucus Monday night when he was nominated by a good majority was celebrated by festivities on the campus. Songs and cheers were given and Dr. Luther also gave a short talk at his house.

A meeting of the German Club will be held this evening at 6:35 at 81 Vernon Street. Many names submitted to the club for membership will be acted on.

## MUSICAL CLUBS.

### Good Membership.

At the trials for the Glee Club held Tuesday afternoon by Mr. Davis, last year's musical director, the following men were chosen:

G. Cunningham '07, R. Cunningham '07, Wolfe '08, Zoubek '08, Page '08, Skilton '08, McConnell '09, Goodrich '09, Livingston '09, Chandler '09, J. S. Carpenter '09, Harriman '09, Xanders '09, P. Roberts '09, Cadman '09, Gabler '10, Henshaw '10, Langford '10, Harmon '10, Gildersleeve '10, Townsend '10, Richards '10, Coghlan '10.

The following men are candidates for the Mandolin Club:

Mandolins—McGinley, Bryant, George, Cross, Larned, Creedon, Randall, Butterworth, Webster.

Violins—Phillips, Buck, Barbour.

Guitar—Ferguson.

Cello—Clausen.

for Banjo—Carpenter.

McGinley '09, Ferguson '07, Randall '08, Creedon '09.

Additions will probably be made to both lists later.

A meeting of both clubs will be held in the Latin room this evening at 6:30.

## DEBATING CLUB.

### Good Prospects for the Year.

The Debating Club which last year was not very active, contemplates an entirely different plan of action. A meeting will be held next week at which officers will be elected. The present secretary-treasurer of the club is F. S. Corbett of the Junior class. He was a member of the team last year as was Willoughby '09 who is still in college. With this nucleus and the good material which is in college the club appears to be entering on a prosperous season.

Rutgers will be challenged and the subject chosen. Work on that debate will begin and other debates are probable. This early start will give the club an impetus which will make it very successful.

## TO ALUMNI.

THE TRIPOD is published for the Alumni even more than for the Undergraduates. With this in mind we are striving to produce a paper which shall be interesting and necessary to Graduates, and also to reach as large a number as possible. We are very largely dependent on the Alumni both for our moral and financial support. If you are not already a subscriber will you kindly give this matter your attention?

"NOW THEN—TRINITY!"

## EDITORIAL.

The "Tripod" extends most hearty congratulations to Dr. Luther on his nomination to the senate. Trinity men must work earnestly at the coming election and we will place our President where he will be a credit both to the state and the college.

The board of the "Tripod" are trying to maintain a cheerful attitude in regard to the paper's financial prospects this year, but the problems which are to be faced are at present disagreeable, to say the least. Almost two hundred graduates have subscribed so far, but if we are to pay expenses we must have at least five hundred. The college has thirteen hundred alumni and we feel that we are not asking too much in expecting five hundred of these to be loyal enough and interested enough to support an organization which is working so earnestly and, we feel, aside from finances, so successfully, for the college.

Elsewhere in this issue is printed a communication from Dr. McCook, who is a member of the Athletic Advisory Committee. It is self explanatory and every undergraduate can see what is necessary. However, the "Tripod" wants to add its plea. There are very few of us, here in college, who cannot make a few sacrifices, forego a few pleasures, and join the Athletic Association. Any man who can do so and does not, ought to be ashamed to look his fellow students in the face.

The class of 1909 has attracted much attention to itself by formally abolishing hazing. The action has created a great stir about college and the opinions as to its advisability are many and varied. 1906 was the last class to take such a step, and many of the 1907 men in college are dubious about the efficacy of decisions of that sort. However, we believe that 1909 means to carry this out thoroughly and not in the letter of the resolution only.

### Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

### When should I insure my life?

Now! The cost will never be less, and tomorrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

The next Academic Year will begin on  
Wednesday, September 18, 1907.

Special Students admitted and Graduate  
course for Graduates of other Theological  
Seminaries.

The requirements for admission and other  
particulars can be had from  
The VERY REV. WILFORD H. ROBBINS,  
D. D., LL. D., DEAN.

## Cornell University Medical College NEW YORK CITY

The course covering four years begins the last week  
in September and continues until June.

A preliminary training in natural science is of great  
advantage. All the classes are divided into small  
sections for recitations, laboratory and clinical bedside  
instruction. Students are admitted to advanced standing  
after passing the requisite examinations. The successful  
completion of the first year in any College or University  
recognized by the Regents of the State of New York as  
maintaining a satisfactory standing is sufficient to satisfy  
the requirements for admission which have lately  
been raised. The annual announcement giving full  
particulars will be mailed on application.
